Chairman: Shu, Chung-Wan

Recorder: Chen, Hung-Jen

Call meeting to order: The aggregate shareholding of the shareholders present in person or by proxy constituted a quorum. The Chairman called the meeting to order.

Chairman's Remarks: (Omitted)

I. Report Items

(1) To report the business of 2016.

Please refer to Attachment I.

(2) Audit Committee's review report.

Please refer to Attachment II.

(3) To report 2016 employees' profit sharing bonus and directors' compensation.

Explanatory Notes:

A. The remuneration of 2016 profit to employees would be NT\$ 32,042,362 (distributed in cash); and that to directors would be NT\$ 4,239,000.

B. The estimated remuneration to employees is NT\$ 33,439,115 and the different amount should be NT\$ 1,396,753; the estimated remuneration to directors is NT\$ 4,681,476 and the different amount should be NT\$ 442,476.

C. The difference will be recognized as expense in the statement of income in 2017.

(4) The status of guarantees provided by the Company as of the end of 2016.

Explanatory Notes:

The Company provided a guarantee for Transcend Japan Inc. amounting to JPY 2,000,000 thousand, and the actual amount of guarantee draw down is JPY 0 by the end of 2016. Pursuant to the Company's "Procedures for Endorsement and Guarantee", the limit of guarantee was NT\$ 8,130,774 thousand (approximate JPY 29,500,000 thousand).

II. Proposed Items

(1) Adoption of 2016 Business Report and Financial Statements.

Explanatory Notes:

- A. The parent company only financial statement and consolidated financial statement of the Company for the year of 2016 have been audited by independent auditors, Mr. Chun-Yao, Lin and Mr. Chien-Hung Chou, of the Pricewaterhouse Coopers.
- B. The Business Report, Independent Auditors' Report and Financial Statements are hereby also attached. (Please refer to Attachment I, III, and IV)
- C. It is submitted for ratification.

Resolution:

Votes in favor: 357,073,316 votes (including 356,586,148 votes casted electronically), 94.56% of the total represented share present; Votes against: 8,848 votes (including 8,848 votes casted electronically); Votes invalid: 0 votes (including 0 votes casted electronically); Abstention and no votes: 20,501,854 votes (including 20,473,571 votes casted electronically).

Resolved, the above proposal was approved as proposed.

(2) Adoption of the proposal for distribution of 2016 earnings.

Explanatory Notes:

- A. For appropriations of 2016 earnings, the Company will distribute cash dividend of NT\$ 2,476,879,631 (NT\$5.75 per share) from the available retained earnings of 2016 after setting aside legal reserve and special reserve.
- B. Please refer to next page for the chart of 2016 earnings distribution.
- C. Cash dividends will be distributed proportionately according to shareholders' shares ownership registered in the Common Stockholders' Roster as of the date of record.
- D. To avoid the change in the total amount of common shares outstanding resulting from buyback of company shares, or transfer or cancellation of treasury stock, it is proposed that the Chairman of the Board be authorized to adjust the cash to be distributed to each common share.
- E. It is submitted for ratification.

Resolution:

Votes in favor: 357,073,316 votes (including 356,586,148 votes casted electronically), 94.56% of the total represented share present; Votes against: 8,848 votes (including 8,848 votes casted electronically); Votes invalid: 0 votes (including 0 votes casted electronically); Abstention and no votes: 20,501,854 votes (including 20,473,571 votes casted electronically)

Resolved, the above proposal was approved as proposed.

Transcend Information, Inc.

VI. Meeting Adjourned

**TRANSCEND INFORMATION INC.
BUSINESS REPORT**

Compared to 2015, the global NAND Flash market has shifted away from oversupply and price decline in the second half of 2016. As 3D NAND suppliers were encountering unimproved yield rate, supply of DRAM and NAND Flash dropped sharply, leading to supply shortage and raising price in the second half of 2016. To respond to demand changes in consumer market, Transcend, as leading manufacturer of storage and industrial-grade products, has executed our business strategy of deriving a greater portion of revenue from embedded market, developing new products and expanding into SSD market. Although memory market was highly competitive in 2016, Transcend remained solid operating performance and was able to pay back substantial profit sharing to all of our shareholders. Hereby, we would like to thank our valued shareholders, clients, suppliers and employees for your continued supports of Transcend.

Transcend's consolidated revenue totaled NT\$22.1 billion in 2016. Consolidated gross profit totaled NT\$4.95 billion. Gross profit rate is 22.4 percent. Operating income totaled 33.1 billion. Income before tax totaled 32.4 billion. Net income totaled 28.8 billion. EPS is NT\$ 6.69 calculated at the weighted average of outstanding share capital amounting to 43 billion.

With excellent brand operation, Transcend has been awarded by its innovative products and superior product quality. For the tenth year in a row, Transcend Information appears on Interbrand's Best Taiwan Global Brands ranking. Our seven cutting-edge products have won Taiwan Excellence Award for twelfth consecutive year. Moreover, the new launched product in 2016, the DrivePro 50 dashcam, has received the prestigious "Good Design Award 2016" for the top design quality.

As a leading brand in the market, Transcend focused on innovative research and development to ensure that we can adapt quickly to the fast-changing IT industry. Transcend's sales of solid-state drives (SSDs) has been growing rapidly year over year. In 2016, we introduced the SSD220, which adopted cost-effective TLC NAND flash to satisfy the demand of consumer SSDs. In addition, Transcend has successfully gained advantage among competitors in memory industry by providing high quality embedded products and professional technical service to our clients. Our industrial-grade SSDs have significant growth which effectively generated sales revenue and profit in the second half of 2016. Regarding strategic products, we also released our new personal cloud storage, the StoreJet Cloud series. Featuring mobile access, automatic data backup, and media streaming, the StoreJet Cloud allows users to freely access all their personal files anytime and anywhere.

Transcend focuses not only on sales performance, but also on corporate governance. We aim to disclose adequate information in order to provide comprehensive corporate information to our shareholders and investors. For cooperate social responsibility, we have sponsored sport activities in high school and universities, including the High School Basketball League (HBL) and the Black Panther High School Baseball Tournament, for over six years. We continued to execute the long-term Baseball Mentoring Program aimed at underprivileged school baseball teams, expecting to serve as a platform for young promising athletes to fulfill their dreams. As a result, we received “Sports Activists Award” again from the Sports Affairs Council as our continuing contribution to promote sports in Taiwan.

Looking to 2017, price of NAND flash chips will keep rising due to persistent supply shortage. We may face challenges from dynamic and competitive industry environment; thus, we will implement effective inventory management and purchasing strategy to maximize Transcend’s sales revenue and profitability.

In addition to keeping investing in research and development, we will deploy more automated production lines in our factories to improve product quality and enhance manufacturing efficiency. Thanks to strong bond with our business partners and our distribution channels worldwide, we continue to increase market share in each product category and build our brand awareness in marketplace. Also, as a multinational corporation, we manage our 13 branches worldwide through concentrated management, expecting to ensure the local operation in different countries is consistent with corporate operational objectives and to attain corporate sustainability.

Here again we sincerely thank all of our shareholders, for your continued support and for the confidence that you have placed in us. We will make every effort to keep Transcend operational excellence and look forward to sharing our progress with you.

Chairman : Shu, Chung-Wan

General Manager : Shu, Chung-Cheng

Accounting Supervisor : Chen, Hung-Jen

Audit Report of Audit Committee

The Board of Directors has prepared the Company's 2016 Business Report, Financial Statements and Earnings Distribution Proposal. Transcend Corporation's Financial Statements have been audited and certified by Mr. Chun-Yao, Lin and Mr. Chien-Hung Chou, the CPA of the Pricewaterhouse Coopers. The Business Report, Financial Statements and Earnings Distribution Proposal have been reviewed and considered to be complied with relevant rules by the undersigned, the audit committee of Transcend Corporation. Pursuant to Article 14-4 of the Securities and Exchange Act and Article 219 of the Company Act, we hereby submit this report.

The audit Committee of Transcend Corporation

Chairman of the audit Committee: Wang, Yi-Shin

March 09, 2017

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

To the Board of Directors and Shareholders of Transcend Information, Inc.

Opinion

We have audited the accompanying balance sheets of Transcend Information, Inc. (the “Company”) as at December 31, 2016 and 2015, and the related statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2016 and 2015, and its financial performance and its cash flows for the years then ended in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers”.

Basis for opinion

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Evaluation of inventories

Description

Please refer to Notes 4(8), 5(2) and 6(5) to the financial statements for the details of the information about the Company's inventory accounting policy, estimates and assumption and allowance for inventory evaluation losses.

The percentage of the Company's inventories in total assets is material and the Company applies judgments and estimates in determining the net realizable value of inventories on balance sheet date. The Company mainly produces DRAM and flash memory, and due to those products having short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Company's inventories and the allowance for inventories evaluation losses are material to its financial statements, the evaluation of inventories has been identified as a key audit matter.

How our audit addressed the matter

Our audit procedures performed in respect of the above key audit matter included the following:

- A. Obtained an understanding of the Company's operation and industry. Assessed the reasonableness of the policy and procedures to recognise allowance for inventory evaluation losses.
- B. Obtained an understanding of the Company's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of inventory in order to assess the effectiveness of inventory internal control.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory evaluation losses.

Estimation of allowance for sales discount

Description

In consideration of business volume, the Company provides a variety of business incentives to specific customers or products, and based on that, the Company can estimate the allowance for sales discount monthly. Please refer to Note 6(4) to the financial statements for the details of the information about estimation of allowance for sales allowance.

Since the contracts are numerous and the result could affect the net revenue in the financial statements, the estimation of allowance for sales discount has been identified as a key audit matter.

How our audit addressed the matter

Our audit procedures performed in respect of the above key audit matter included the following:

- A. Obtained an understanding of the Company's operation, industry and the procedure to recognise allowance for sales discount.
- B. Obtained an understanding of the Company's sales procedures and interviewed management to assess the appropriateness of sales allowance contracts and internal control on estimation of allowance.
- C. Obtained the evaluation list of allowance for sales discount, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance in the Company's determination.

Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the "Regulations Governing the Preparations of Financial Reports by Securities Issuers", and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

March 9, 2017

The accompanying financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying financial statements and report of independent accountants are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

PWCR16000236

To the Board of Directors and Shareholders of Transcend Information, Inc.

Opinion

We have audited the accompanying consolidated balance sheets of Transcend Information, Inc. and its subsidiaries (the “Group”) as at December 31, 2016 and 2015, and the related consolidated statements of comprehensive income, of changes in equity and of cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2016 and 2015, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission.

Basis for opinion

We conducted our audits in accordance with the “Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants” and generally accepted auditing standards in the Republic of China (ROC GAAS). Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Professional Ethics for Certified Public Accountants in the Republic of China (the “Code”), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole and, in forming our opinion thereon, we do not provide a separate opinion on these matters.

Evaluation of inventories

Description

Please refer to Notes 4(9), 5(2) and 6(5) to the consolidated financial statements for the details of the information about Group's inventory accounting policy, estimates and assumption and allowance for inventory evaluation losses.

The percentage of the Group's inventories in total assets is material and the Group applies judgments and estimates in determining the net realizable value of inventories on balance sheet date. The Group mainly produces DRAM and flash memory, and due to those products having short life cycle and belong to a highly competitive industry, the market prices change frequently. Since the Group's inventories and the allowance for inventories evaluation losses are material to its financial statements, the evaluation of inventories has been identified as a key audit matter.

How our audit addressed the matter

Our audit procedures performed in respect of the above key audit matter included the following:

- A. Obtained an understanding of the Group's operation and industry. Assessed the reasonableness of the policy and procedures to recognise allowance for inventory evaluation losses.
- B. Obtained an understanding of the Group's inventory control procedures. Reviewed annual inventory count plan and observed the annual physical count of inventory in order to assess the effectiveness of inventory internal control.
- C. Obtained relevant evaluation reports of inventory and tested the logic and accuracy of information to assess the reasonableness of allowance for inventory evaluation losses.

Estimation of allowance for sales discount

Description

In consideration of business volume, the Group provides a variety of business incentives to specific customers or products, and based on that, the Group can estimate the allowance for sales discount monthly. Please refer to Note 6(4) to the consolidated financial statements for the details of the information about estimation of allowance for sales allowance.

Since the contracts are numerous and the result could affect the net revenue in the consolidated financial statements, the estimation of allowance for sales discount has been identified as a key audit matter.

How our audit addressed the matter

Our audit procedures performed in respect of the above key audit matter included the following:

- A. Obtained an understanding of the Group's operation, industry and the procedure to recognise allowance for sales discount.
- B. Obtained an understanding of the Group's sales procedures and interviewed management to assess the appropriateness of sales allowance contracts and internal control on estimation of allowance.
- C. Obtained the evaluation list of allowance for sales discount, and tested material sales allowance contracts and recalculated it to assess the reasonableness of allowance in the Group's determination.

Other matter –Parent company only financial reports

We have audited and expressed an unqualified opinion on the parent company only financial statements of Transcend Information, Inc. as at and for the years ended December 31, 2016 and 2015.

Responsibilities of management and those charged with governance for the consolidated financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the “Regulations Governing the Preparations of Financial Reports by Securities Issuers” and the International Financial Reporting Standards, International Accounting Standards, IFRIC Interpretations, and SIC Interpretations as endorsed by the Financial Supervisory Commission, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group’s financial reporting process.

Auditor’s responsibilities for the audit of the consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ROC GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with ROC GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the

override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Lin, Chun-Yao

Chou, Chien-Hung

For and on behalf of PricewaterhouseCoopers, Taiwan

March 9, 2017

The accompanying consolidated financial statements are not intended to present the financial position and results of operations and cash flows in accordance with accounting principles generally accepted in countries and jurisdictions other than the Republic of China. The standards, procedures and practices in the Republic of China governing the audit of such financial statements may differ from those generally accepted in countries and jurisdictions other than the Republic of China. Accordingly, the accompanying consolidated financial statements and report of independent accountants are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice.

As the financial statements are the responsibility of the management, PricewaterhouseCoopers cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.
