Apple Solutions | JetDrive™ Go 500

Specifically designed for iPhone®, iPad®, and iPod®, Transcend's JetDrive™ Go 500 Lightning/USB 3.1 flash drive not only expands your iOS device storage by up to 128GB, but also features a sleek zinc alloy casing. Powered by the exclusive JetDrive Go App, the JetDrive Go 500 can do more than you think a flash drive can do!
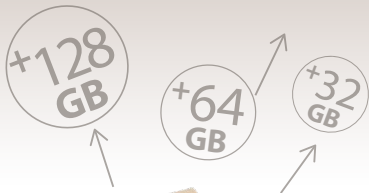

Versatile JetDrive Go App

Compact and Refined Design

- Lightning and USB 3.1 Gen 1 dual connectors*
- Extended Lightning connector for easy plug-in
- Up to 130MB/s of transfer speeds provided by the standard USB 3.1 Gen 1 connector**
- Directly shoot and save photos/videos to the JetDrive Go 500
- Passes Apple's rigorous testing standards to be Apple MFi certified
- Comes with free download of Transcend Elite & RecoveRx

*Both connectors cannot be used at the same time.
**Performance varies by capacity, user hardware and system configuration.
